

Remote Check & Report Printback Feature

Are you tired of shuffling through paper documents and files each time you need copies of your payroll reports or need to look up additional payroll information? Well, now you won't have to!

Remote **Printback** can be provided to you whether you submit your payroll via telephone, fax or Payroll Online! You will receive your files via email through our password protected Viewchoice Viewer. This program will allow you to view & print your current pay period checks, vouchers & reports as well as your previous pay period data.

Now you can access vital payroll data quickly and easily in the privacy of your own office or at any remote location. No more trips to storage, fumbling through the filing cabinet, or waiting for copies to be delivered by mail. **AND NO MORE PAYROLL BINDERS!**

Remote **Printback** is your answer!
